

Sponsorship Opportunities

As a partner for access, you help Seattle Cultural Accessibility Consortium (SCAC) reach the cultural and disability communities throughout the Puget Sound area.

Sponsorships support all aspects of SCAC's programming, which elevates the accessibility conversation in the cultural community. Programming fosters dialogue, networking, and promotes creative problem-solving. Your funding pays for program development and management, speaker/moderator stipends, marketing and communications, interpreters, captioners, and ensures our event registration remains free, keeping our events accessible to all participants.

Workshops draw participants to three annual educational presentations and panel discussions on focused topics in accessibility. Participants leave with tangible solutions and tools to implement accessible practices.
